

Highlights 2017

Thank you, friends...

For participating with us this past year in mission that is both relational and strategic. From New Zealand we have together helped strengthen the fast-growing Church across Asia-Pacific, by supporting the development and training of thousands of quality men and women called by God to lead in his Kingdom.

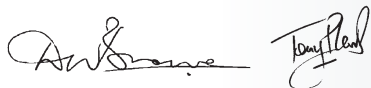

LeaDev-Langham is a boutique mission support agency with a small team, but because of your ongoing loyalty, support and sacrificial giving, our work and service go a long, long way. Your contribution is multiplied many times over, because one well-equipped servant leader goes on to lead many more people closer to God, and helps bring others into leadership too.

The Kiwi contribution also goes far because of our participation in the ministries of two allied global networks – Overseas Council Network and Langham Partnership International.

We may be 'down at the bottom' of the globe, but we're part of a phenomenal work of God across the Asia-Pacific region, and in other continents across the world.

We can rejoice that it's truly together that we help equip, multiply, resource and care for leaders who live and serve in poverty and under great pressure.

It is our pleasure to share some highlights from the last year with you as a valued supporter, grateful for the part that each one of us plays.
